**Case Number: IL-22-0603-S**

**Web Summary: OIG-WS-2023-303**

An Amtrak electrician based in Chicago, Illinois, was terminated from employment on October 19, 2022, after our investigation found that the employee violated company policies by misusing a company-owned computer and misusing company time, which included outside business activities. We also found that the former employee violated company policy by not attending to his daily required duties.
